C. Brief Description of the Requested Zoning Regulation Amendment

6	To add a provision to the bulk regulation increasing the maximum height of structures with a pitched roof by 8 feet. 118. P.1
---	--

D. Explanation of the Basis / Justification for the Requested Zoning Regulation Amendment

- 7 In order to allow flexibility in architectural design that reflects traditional forms and is keeping with the County's objective to promote a more compact form development, commercial structures with a pitched roof will be granted an additional ~~10~~ feet to the maximum height requirement.

For example Section 118: B-1 (Business: Local) District, D. Bulk Regulations would read;

1. The following maximum height for structures shall be observed.
 - a. Maximum height 40 feet
 - b. Maximum height for structures with a pitched roof..... 48 feet
